

This image is a collage of several stock market announcements from 2014, specifically focusing on notices of abnormal price fluctuations. The documents are arranged in a grid-like fashion and include the following details:

- Hainan Mining Share Co., Ltd. (601969):** A notice titled "Stock Price Abnormal Fluctuation Announcement". It states that the company's stock price has been fluctuating abnormally over the past three months, with a significant increase in October. The notice asks for investors' attention and compliance with relevant laws.
- Shenzhen Wangzixin New Materials Co., Ltd. (002735):** A notice titled "Stock Price Abnormal Fluctuation Announcement". It discusses the company's recent stock price movements and their impact on the market.
- Guangzhou Guangtian International Co., Ltd. (600685):** A notice titled "Notice of Public Transfer of Guangzhou Guangtian International Co., Ltd. to Guangzhou Guangtian Shipbuilding Co., Ltd. and its Subsidiaries". It details the transfer of 100% of the company's shares to Guangzhou Guangtian Shipbuilding Co., Ltd.
- Hunan Fangsheng Pharmaceutical Co., Ltd. (603998):** A notice titled "Stock Price Abnormal Fluctuation Announcement". It informs investors about the company's stock price fluctuations and its impact on the market.

The notices generally provide information about the company's financial performance, market perception, and legal requirements regarding price fluctuations. They also encourage investors to follow relevant regulations and exercise caution.
